

2026 Crystal Ball Cup

Format

You will be presented with a series of hypothetical events. For each event, you will have one minute to submit a probability $p \in [0, 1]$ that the event occurs before the end of 2026.

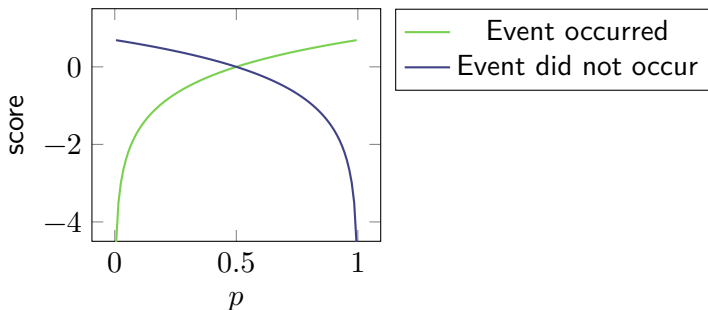

No discussion is allowed except for clarifying questions.

You may not consult external resources. You may not collude with each other to affect the outcome of any event before 2027-01-01.

Scoring

On 2027-01-01, I will compute your score to be the sum of your scores across all events. Your score on one event with submitted probability p is the logarithmic scoring rule defined as:

$$\text{score}(p) = \begin{cases} \ln p - \ln 0.5 & \text{if the event occurred} \\ \ln(1 - p) - \ln 0.5 & \text{otherwise} \end{cases}$$

Retrospective

On some day early next year we will reconvene to evaluate our 2026 predictions and make predictions for 2027.

Form

Events

1. Grand Theft Auto VI is released

gta

Rockstar Games releases GTA VI for sale to the public.
